Bailliage National de Thaïlande
50th Anniversary

Dear members and friends,

As we approach our 50th Anniversary Bailliage National de Thaïlande Grand Chapitre, a warm invitation awaits you from North to South of Thailand, spanning from March 17 to 29, 2024, is just two months away. We're delighted to see a growing interest and bookings from beyond Thailand. Secure your spot now and immerse yourself in the camaraderie of individuals from different Bailliaiges.

Reflecting on the farewell to 2023 in style at the Boathouse with a fully booked and incredible brunch, we want to express our heartfelt gratitude to each one of you.

Chef Jonathan Bruell's culinary creations were not only beautifully crafted but also expertly prepared, offering us a memorable gastronomic experience. The pairing of each dish with magnum bottles of specially selected wines added a touch of sophistication, making the festive season feel like a warm embrace.

Following this delightful brunch, we're delighted to welcome 4 new members to our Chaîne family.

It's time for membership renewals Let's keep our culinary family intact by renewing before the Chapitre.

We hope this message finds you savoring the myriad benefits of being part of our culinary haven. It's that special time of year when we embark on our renewal journey, aligning with the calendar year. As January bids adieu, we bring important tidings about the membership fee.

To preserve the stellar standards of Chaîne des Rôtisseurs, a gentle adjustment in renewal fees is underway. This ensures harmony with our fellow chapters nationwide, promoting a unified Chaîne.

We understand any change may raise an eyebrow, but rest assured, these adjustments are born from thoughtful consideration. They mirror the rising costs of curating exceptional Chaîne experiences and the enhancements planned to elevate your membership journey.

For a seamless renewal, kindly complete the necessary payment by February 11, 2024. Click "Proceed" for access to the 2024 membership renewal, whether for Chaîne, OMGD, or both. Timely completion is key for uninterrupted access to exclusive privileges.

Remark* Unlike previous years, where only bank transfers were accepted, we now offer a credit card facility. Please note that this option incurs a transaction charge imposed by the provider. This addition caters to members abroad who find bank transfers inconvenient. We recommend using the direct payment method below which requires you to pay the net fee due only and no extra transaction charge.

Evolution in Council Membership

After completing their dedicated tenures, we bid farewell to Mr. Patrik Lundgren, our Vice Charge de Mission and Mrs. Alicia Wallace, our Vice Charge de Mission, who gracefully left the council late last year. Following suit, Mr. Mike Reed, our Vice Chancellor, Mr. Jason Beavan, our Vice Charge de Presse and Argentier, and Mr. Alex Longman, our Vice Charge de Mission, have stepped down from the Council this month. We express immense gratitude for their invaluable contributions to Chaîne Phuket in the past.

We are delighted to welcome new members to assume these roles as we embark on a fresh journey with the 2024 council. Mr. Massimo Bernardi has taken over the Chancellor role, overseeing office administration. Mr. Julien Thomas, a seasoned CFO, will serve as the Vice Argentier, and Mr. Ian Jamieson, a skilled novelist, will assume the role of Vice Charge de Presse.

It's worth noting that Mr. Frank Grassman, our Echanson, and Mr. Mark Jones, our Vice Conseiller Culinaire, joined forces with the council as a dedicated committee for food and wines in mid-2023. We look forward to the continued success of our Chaîne Phuket family with these esteemed members on board.
